## **TPP PUBLICATION NOTICE**

Legal Notice

**If You Are a Third-Party Payor Based in or With  
Beneficiaries in Massachusetts  
And You Made Reimbursements For Any of the  
Drugs Listed Below,**

**A Class Action Lawsuit May Affect Your Rights.**

There is a class action lawsuit pending in the U.S. District Court for the District of Massachusetts. The name of the lawsuit is *In re: Pharmaceutical Industry Average Wholesale Price Litigation*, Docket No. 01-CV-12257-PBS.

The lawsuit claims that certain drug companies reported false and inflated average wholesale prices ("AWP") for certain types of outpatient drugs. The reported AWPs are used to set prescription drug prices that are paid by Medicare, consumers making co-payments, insurers and other Third Party Payors ("TPP"). The lawsuit asks the Court to award money damages to some TPPs who made reimbursements for the drugs.

**What Drugs are Covered by the Litigation?**

Certain dosages of the following Covered Drugs made by the Defendants AstraZeneca, Bristol-Myers Squibb Group, Johnson & Johnson Group and Schering Plough Group are covered: **Albuterol, Blenoxane, Coumadin, Cytoxan, Etopophos, Integrilin, Intron A, Paraplatin, Perphenazine, Procrit, Proventil, Remicade, Rubex, Taxol, Temodar, VePesid and Zoladex.** These are referred to in this Notice as the "Covered Drugs." For a complete list of the dosages by drug visit the Web site or call or write as indicated below for a detailed Notice.

**Which TPPs Are Involved in the Litigation?**

The Court has ruled that there are two different Classes for TPPs who reimbursed for Covered Drugs: a MediGap TPP Class and a Massachusetts Class. A TPP could be a member of one or both Classes.

A TPP is a member of the MediGap TPP Class if it made reimbursements for all or part of its insured's 20% co-payment under Medicare Part B for Covered Drugs anytime between January 1, 1991 and January 1, 2005, or

A TPP is a member of the Massachusetts Class if it reimbursed for Covered Drugs outside of Medicare Part B based on a contract that uses AWP as a reimbursement benchmark anytime between January 1, 1991 and June 1, 2006.

In order to be member of either the MediGap TPP Class or the Massachusetts Class, the reimbursements must have been for a beneficiary in Massachusetts or the TPP must have its principal place of business in Massachusetts.

**What Are a TPPs' Rights as a Member of Either or Both of the Classes?**

- If a TPP wishes to remain a member of either or both of the Classes, it doesn't need to do anything at this time. If it doesn't exclude itself, as a member of either Class it will be bound by whatever happens in the lawsuit, and it won't be able to sue the Defendants on its own about the claims in the lawsuit. Court-appointed Counsel will represent all Class Members at no cost. Class Members may also hire their own attorney at their own cost.
- If a TPP does not wish to participate in the Class, it must mail a signed, written request to be excluded to the address below. The request must be postmarked by **September 15, 2006**. If a TPP excludes itself from the Class, it can't participate in any recovery for the Class, but keeps the right to sue the Defendants on its own.

Legal Notice

**If You Made a Co-Payment Through Medicare Part B  
or a Percentage Co-Payment in Massachusetts,  
For Any of the Drugs Listed Below,**

**A Class Action Lawsuit May Affect Your Rights.**

For a complete list of the dosages by drug visit the Web site or call or write as indicated below for a detailed Notice.

**Am I Involved in the Litigation?**

There are two sub-classes for consumers who paid for Covered Drugs.

You are a member of the Medicare Part B Class if:

- You made a co-payment under Medicare Part B from January 1, 1991 to January 1, 2005 or have an obligation to make such a co-payment for a Covered Drug. You are not included in this sub-class if you were a resident of Alabama, Alaska, Georgia, Iowa, Kentucky, Louisiana, Mississippi, Montana or Virginia at the time you made the Medicare Part B co-payment. You are also excluded from this Class if you made flat co-payments (a co-payment that does

not differ with the cost of the drug), or you were reimbursed for co-payments or have the right to be reimbursed.

You are a member of the **Massachusetts Class** if:

- You paid a percentage co-payment, or are currently obligated to make such a co-payment, for any Covered Drug in the state of Massachusetts from January 1, 1991 to June 1, 2006.
- You're included in the Massachusetts Class only if your co-payment was a percentage co-payment. You're not included in the Class if you paid a fixed or flat co-payment. If you pay the same co-payment regardless of the cost of the drug (even if the co-payment amount changes depending on the whether the drug is a brand name or a generic product), you are not included in the Massachusetts Class.

Please note that Massachusetts Medicare Part B enrollees may be in both the Medicare Part B Class and the Massachusetts Class.

**What Are My Rights as a Member of the Medicare Part B Class or Massachusetts Class?**

- **If you wish to remain a member of either Class**, you don't need to do anything at this time. If you don't exclude yourself, as a member of either Class you'll be bound by whatever happens in the lawsuit, and you won't be able to sue the Defendants on your own about the claims in the lawsuit. Court-appointed Counsel will represent you at no cost. You may also hire your own attorney at your own cost.
- **If you do not wish to participate in either or both of the Classes**, you must mail a personally signed, written request to be excluded to the address below. The request must be postmarked by **September 15, 2006**. If you exclude yourself from either or both of the Classes, you can't participate in any recovery for the Class(es), if there is one, but you do keep the right to sue the Defendants on your own.
